This short guide will help you understand this great opportunity being offered to you from MyBitCoinTube. You can earn up to \$210 in BTC per video by simply doing what you already do - watch YouTube videos.

The 2-step process to earn is incredibly simple:

1. Earn by watching a set number of YouTube videos per day (the entire process will take you less than 5 minutes per day to complete).
2. Promote your own affiliate link to earn even more from watching YouTube videos.
3. (Optional third step - but very lucrative) Earn even more by becoming a Premium Member and promoting your own YouTube videos.

BUT DOES MYBITCOINTUBE ACTUALLY PAY?

Throughout this guide, I will include some screenshots as proof of how this system actually works. You will get paid in BitCoin (BTC) every day - sent straight into your BitCoin wallet.

SO LET'S GET STARTED ...

INTRODUCTION

Hello there, my name is Victor D. Lancaster and I began my online marketing journey in 2001. My lengthy experience in this field has taught me how to separate good opportunities from bad ones - and I can definitely vouch for this company and their business model.

Please note however that I am NOT a staff member of MyBitCoinTube (and I will never claim to be one). I am simply someone who researches online business models and recommends them to my [downline](#).

HOW TO GET STARTED?

You'll need a free account to start earning. Click on the "[Join Us Now](#)" button to register your account. Make sure to confirm your email address, then click on the "Login to Account" button to enter your Dashboard.

There is a lot of information on the Dashboard to look at, including your account balance, earnings from today / yesterday, your earned BVPs and group number, as well as your total withdrawn to your wallet.

Take your time and look at all of the information provided. It's pretty easy to understand and you'll get up and earning in no time.

You can indeed earn as a free member (which is how I started) but your earnings would be relatively slow compared to those who are either Premium Members or those who have purchased AdPacks (more on that later).

I've provided a screenshot below of my Dashboard and current earnings level. I was able to reach this high by REINVESTING most of the money I earned, thereby giving me a higher daily payout. Level 10 is the highest possible earning level in this business. This is the level that I am aiming for - and [I'd like to take you with me](#).

The screenshot shows the MyBitCoinTube dashboard with the following data and navigation elements:

HOW TO KEEP YOUR ACCOUNT ACTIVE?

In order to ensure that your account remains active, you need to click and watch your Bonus Videos every day. In the menu on the right side of your Dashboard, click on the "Bonus Videos" link.

You will be provided with 10 Bonus Videos every day. Watch each video for a minimum of 20 seconds.

This easy (but very important) process will take you less than 5 minutes to complete. Watching these Bonus Videos every day will increase your daily BVPs (Bonus Video Points).

The more BVPs you have, the higher up the Group Levels you will go - thereby giving you higher value Paid Videos to watch and earn from (more on that later).

Each Bonus Video gives you 10 BVPs. You will get 10 videos per day, adding up to 100 BVPs per day. A minimum of 1600 BVPs is required for you to be eligible to receive Paid Videos. It will take 16 days to reach this level, where your account will now be eligible to receive Paid Videos.

- Optional (but highly recommended): You can also purchase AdPacks to boost your accumulated BVPs - so you can begin earning from Paid Videos much faster.

The website's server checks your BVPs prior to issuing Paid Videos for the day, it will also deduct 200 BVPs when it issues those Paid Videos to you.

Ensure to watch ALL of your Bonus Videos every day to regain 100 BVPs. The limit for Paid Videos is 10 per day. If you are at the beginning stage of earning from this website, your Paid Videos will earn up to \$0.10 per day.

HOW TO EARN FROM HIGHER LEVEL PAID VIDEOS?

To earn from your Paid Videos, simply click on the “Paid Videos” link in the menu on the right side of your Dashboard. Make sure to always check every day for your Paid Videos, so you can earn from them, the minute they show up in your Dashboard.

If you wish to earn higher level Paid Videos, you will need to purchase AdPacks, which will give you both banner ad impressions and YouTube video views. With these AdPacks you can promote your own offers and opportunities for other members to watch.

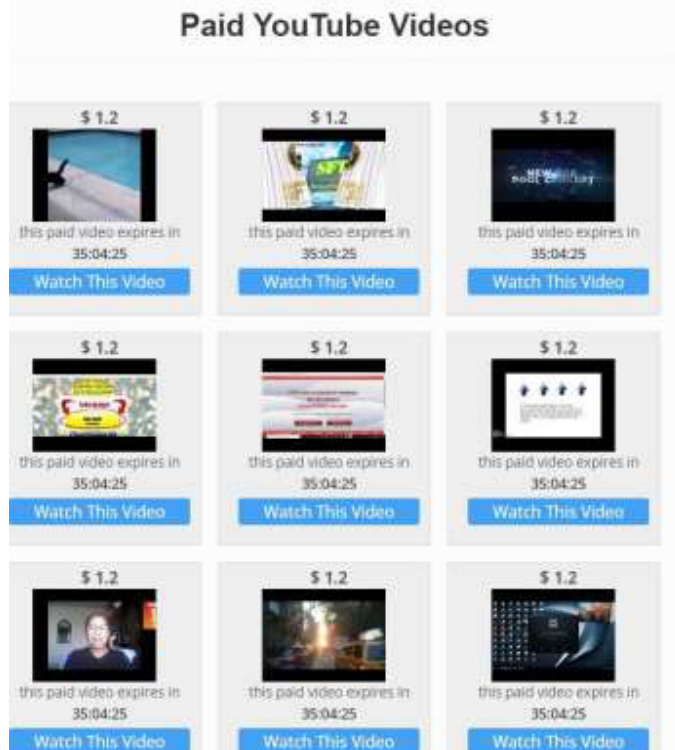

Remember that the group which you are in will determine the amount of money that you will earn for the 10 Paid Videos that you watch. This picture is from group 7. As you can see, group 7 gave \$12.00 per day for watching all these 10 videos.

(\$1.20 per video x 10 videos = \$12.00).

HOW MUCH CAN YOU EARN?

To get a better idea of your earnings potential, click on the orange button “Increase your BVPs!” on the homepage of your Dashboard. On this page, you will see details about the 10 groups and their point requirements. You will also see extra tips for you to earn even more. I highly recommend that you follow these tips.

Note: Earning levels fluctuate every day. If you would like to view the current amount, simply click on the “Earnings” link at the top of your Dashboard page.

HOW TO FULLY MAXIMIZE YOUR EARNINGS?

If you would like to fully maximize your earnings from this business, then I highly recommend that you upgrade your account to Premium Membership status. The Premium Membership gives you access to Super Videos throughout the day and Recycled Videos on occasion are also available.

As a Premium Member, your BVPs are not deducted in order to claim these videos. Note that all videos have an expiry timer of 18 hours from the time they are added to your account.

You can view your “Super Videos” and “Recycled Videos” daily by clicking on these links in the menu on the right side of your Dashboard.

List of Premium Membership Benefits:

- 1) Premium members gain priority, receiving the 10 x 1% Super Video ads that are created, and otherwise issued at random, with each new ad campaign purchased.
 - So if someone buys a \$100 ad campaign, it will create 10 x \$1 Super Video ads that will be issued at random at the end of that server day. As a Premium Member; you will get access to those Super Video ads.
- 2) Receive 11%+ extra BVPs on buying ads during your Premium Membership.
 - So if you buy a \$100 ad campaign, you get a total of 300,000 (270,000 + 30,000) BVPs as a Premium Member.
- 3) New members who sign up without having a sponsor will be placed as Random Referrals into your downline during your Premium Membership.
 - Note that Random Referrals are not guaranteed, so please treat this as just an extra bonus.
- 4) Get more chances in the Weekly Lottery. Receive 2x more lottery tickets during your Premium Membership.

As a Premium Member, this is where the FUN really begins. Don't be surprised and fall off your chair when you begin to see videos that are paying you \$50 and even more.

Just remember these three words: Click ... Watch ... EARN!

HOW DO YOU GET PAID?

You get paid the value of your withdrawal requests in BitCoin (BTC). All withdrawal requests are executed and completed within one day. As you probably know by now, BitCoin is by far the most popular cryptocurrency in the world today. Many businesses around the world accept BitCoin as a form of payment. You can use your BitCoin to pay for goods/services or you can convert it to paper (FIAT) currency. The choice is yours.

My Recommendation:

How did I reach a high Group Level in this online business?

- 1) **BY REINVESTING** most of my earnings in AdPacks and Premium Membership.
- 2) **BY MARKETING** to earn an ever-growing downline.

In other words, don't simply withdraw your entire balance as soon as you earn it - because that's just Short Term Thinking.

If you want to be able to **earn and withdraw hundreds of dollars per day**, then you need to first focus on building up your BVP balance.

Remember that:

- The higher your BVP balance, leads to ...
- The higher your Group Level, which means that ...
- The more you'll earn daily.

Have a look at a small sample of my recent withdrawals below. If nothing else I've said before inspired you, then I hope that THIS screenshot will give you the inspiration you need to [TAKE ACTION NOW!](#)
